Manejo de las Chinchas – ¡Un Paso a la Vez!

Paso 2: Reducir el Desorden

Matthew Frye, New York State Integrated Pest Management Program, Cornell University

- 1** Las chinches se esconden en el desorden.

- 2** Ponga todo que es lavable en bolsas de basura de alta resistencia.

- 3** No llene en exceso—las chinches podrían escapar si bolsas rasgar.

4 Cierre bolsas con un nudo, y después...

5 ...selle con cinta adhesiva.

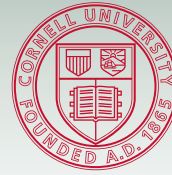

6 Diga "no" al desorden cerca de la cama.

7 Ahora tu cuarto es libre de desorden—¡manténgalo así!

La próxima paso es: *Pase la Aspiradora por Aquí, Allá y en Todas las Partes.*
