Stop bed bugs!

You can help keep bed bugs out of your home. Follow these simple steps to prevent and reduce bed bugs in your home.

Don’t:
- Don't use sprays or bug bombs
- Don’t give them hiding spots
- Don’t store stuff under your bed
- Don’t take furniture off the street
- Don’t be embarrassed to ask for help

Do:
- Vacuum the bed
- Wash bedding regularly
- Protect your mattress and box spring with a bed bug-proof cover
- Report signs
- Inspect your furniture
- Look for signs
- Get rid of clutter
